CONFIDENTIAL · CONTROLLED RECORD

SAFE Register and Capitalization Schedule

Post-closing control record

FR-15 · VERSION 1.1 · 11 NOVEMBER 2026

CONTROLLED RECORD · COMPANY USE

This is a controlled company record for governance, counsel and internal operating use. It is not an offer to sell, a solicitation of an offer to buy, a filing, a qualification, an approval or an executed instrument. Entries are taken from the company records identified in this document.

> ***Internal control record.*** *This register is not evidence that any SAFE has been issued. It is a schedule for recording SAFEs after the board authorizes the offering and each closing is completed. It must reconcile to the executed SAFEs and the cap table.*

1. Purpose

The SAFE register is the company's controlled record of each SAFE issued in the round. It supports:

- board and investor reporting;
- cap-table reconciliation;
- conversion calculations in a future Equity Financing;
- pro rata rights and transfer restrictions;
- Form D and state filing preparation; and
- audit and counsel review.

5. Reconciliation controls

1. The register must reconcile to the executed SAFEs and the bank records at each closing.
2. No SAFE may be recorded without an executed copy and a completed eligibility certificate.
3. No cap-table entry may be made without board approval and a register entry.
4. Any amendment, waiver, transfer or conversion must be recorded within two business days.
5. The chief executive officer must review the register monthly and certify the reconciliation to the board quarterly.
6. Access to the register must be limited to the chief executive officer, the designated finance owner and counsel.

6. Conversion calculation worksheet

Input	Value
Purchase Amount	US$[_____]
Valuation Cap	US$[_____]
Fully diluted capitalization immediately before the Equity Financing	[_____]
Safe Price (Valuation Cap ÷ fully diluted capitalization)	US$[_____]
