CONTROLLED RECORD · COMPANY USE

This is a controlled company record for governance, counsel and internal operating use. It is not an offer to sell, a solicitation of an offer to buy, a filing, a qualification, an approval or an executed instrument. Entries are taken from the company records identified in this document.

> ***Internal filing worksheet.*** *This is not an SEC form, an EDGAR filing or legal advice. Form D must be filed electronically with the SEC through EDGAR. State notice filings and fees vary. Confirm the current requirements with counsel and the relevant state securities regulator.*
