Board Resolution — Regulation CF Preparation

Portal engagement and Form C preparation authority

FR-02 · VERSION 1.0 · 10 NOVEMBER 2026

DRAFT · NOT EXECUTED · COUNSEL REVIEW REQUIRED

This is a confidential drafting instrument for internal review and counsel. It is not an offer to sell, a solicitation of an offer to buy, a filing, a qualification, an approval or an executed agreement. No securities have been offered, sold or issued by reason of this document.

> ***Status.*** *Draft resolution for preparation only. It does not authorize an offer, sale, solicitation or receipt of funds. A Regulation CF offering may not begin until the SEC qualifies the offering statement and the registered intermediary opens the campaign.*

1. Recitals

A. TradingBible Holdings, Inc. is a corporation organized under the laws of the State of [Delaware] and the operator of the TradingBible platform. The jurisdiction and good-standing status must be confirmed from company records before this resolution is relied upon.

B. The board is considering whether a future Regulation CF offering through a FINRA-registered funding portal or broker-dealer could broaden access to the company's financing while preserving the company's private-placement options.

C. Regulation CF requires, among other things, an offering statement on Form C, SEC qualification, an intermediary, investor-limit controls, escrow arrangements and ongoing reporting.

D. The board has not selected a portal, approved an offering statement, authorized a campaign or determined the amount, price, valuation or security to be offered.

E. The board wishes to authorize preparation and diligence only, while expressly prohibiting any public offer or solicitation until qualification.

2. Authorization to prepare

RESOLVED, that the company is authorized to evaluate and engage one or more FINRA-registered funding portals or broker-dealers to explore a possible Regulation CF offering, subject to a written engagement letter approved by the chief executive officer and counsel.

RESOLVED FURTHER, that the company may prepare a draft Form C offering statement, financial statements, risk factors, use-of-proceeds schedule, management and ownership disclosures, and campaign materials for counsel and portal review.

RESOLVED FURTHER, that the company may establish a dedicated data room and engagement record for the potential offering, provided that no draft is published, filed or distributed to the public without counsel approval.

3. No offer before qualification

RESOLVED, that the company shall not offer or sell securities, accept subscriptions, accept funds, publish a campaign page, launch a "reserve your allocation" feature, or describe the offering as open, live, approved or available until:

1. the SEC has qualified the offering statement;
2. the registered intermediary has opened the campaign;
3. the company has confirmed the investor-limit and escrow controls;
4. the company has approved the final campaign materials; and

RESOLVED FURTHER, that a draft Form C, a portal application, a portal due-diligence request or an internal preparation document is not an offer and shall not be presented as one.

4. Testing-the-waters and pre-launch communications

RESOLVED, that the company shall not engage in any testing-the-waters communication, public education campaign, social-media post, press interview, webinar or investor presentation about the potential Regulation CF offering unless counsel has confirmed that the communication is permitted and the exact script or materials have been approved in advance.

RESOLVED FURTHER, that any permitted pre-launch communication must:

1. identify the company;
2. state clearly that no offer is being made and that any offer will be made only through the registered intermediary after qualification;
3. avoid any statement about the amount, price, valuation, allocation, expected return or likelihood of success;
4. avoid directing the recipient to send money or provide payment details; and

RESOLVED FURTHER, that no preparation expense may be charged to investor funds or treated as a commitment to complete the offering.

7. Financial statements and disclosures

RESOLVED, that the company shall prepare the financial statements and disclosures required by Regulation CF in consultation with counsel and an independent accountant, and shall not use unaudited management figures as if they were audited or reviewed.

2. the acceptance of funds;
3. a token sale or digital-asset distribution;
