SEC Registration and Prospectus Preparation Standard

INSTRUMENT 04 | TradingBible, Inc. | Delaware, United States | tradingbible.app

1. Corporate identity

TradingBible, Inc. is a Delaware corporation organized under the laws of the State of Delaware, under Delaware, United States. Its registered agent is A Registered Agent, Inc., 8 The Green, Suite A, Dover, Delaware 19901. The Company operates the TradingBible technology platform at tradingbible.app.

2. Authority and interpretation

This instrument is subject to the Company's effective Bylaws, applicable law, contractual obligations, and approvals reserved to members. Malik Nlem is identified as Chief Executive Officer in the Company records. No provision authorizes activity requiring a license, registration, or regulatory consent that has not been obtained.

3. Registration strategy

U.S. securities counsel shall determine the appropriate registration form, reporting status, filing sequence, permitted communications and any available exemptions. A Form S-1 may be relevant but is not presumed suitable in all circumstances.

4. Disclosure integrity

The prospectus and registration statement must accurately address the business, risk factors, use of proceeds, management, capitalization, related parties, legal proceedings, financial statements and management discussion and analysis as applicable.

5. Verification

All quantitative claims shall be supported by reconciled company records. Statements about licenses, customer accounts, growth, profitability, token functionality and market coverage must be checked against current evidence.

6. Regulatory review

Only authorized advisers shall coordinate submissions, amendments and responses to SEC comments. An effective registration statement does not itself guarantee exchange listing or commercial success.

7. Communication controls

Public statements, investor presentations and offering communications shall be reviewed for consistency with applicable securities rules and filed disclosures.

Execution and signature record

The DocuSign tabs are anchored only to the unique execution line in each signer's block. Complete only the fields assigned to your capacity. A completed envelope is not a regulatory approval or a listing approval.
