Audit and Financial Reporting Readiness

INSTRUMENT 05 | TradingBible Holdings, Inc. | Delaware, United States | tradingbible.app

1. Corporate identity

TradingBible Holdings, Inc. is a Delaware corporation organized under the laws of the State of Delaware, under Delaware, United States. Its registered agent is A Registered Agent, Inc., 8 The Green, Suite A, Dover, Delaware 19901. The Company operates the TradingBible technology platform at tradingbible.app.

2. Authority and interpretation

This instrument is subject to the Company's effective Bylaws, applicable law, contractual obligations, and approvals reserved to members. Malik Nlem is identified as Chief Executive Officer in the Company records. No provision authorizes activity requiring a license, registration, or regulatory consent that has not been obtained.

3. Financial statements

The proposed issuer shall prepare historical financial statements for the periods required by its actual registration and reporting status, with accounting policies applied consistently and sufficient supporting schedules.

4. Independent audit

An appropriately qualified independent registered public accounting firm shall be retained when required, including PCAOB registration and independence where SEC issuer requirements apply.

5. Revenue and liability controls

Subscription revenue, refunds, prop-related obligations, advertising income, digital assets, deferred revenue and related-party transactions require documented accounting positions supported by underlying contracts.

6. Internal control development

Management shall design disclosure controls, access controls, segregation of duties, close procedures, cybersecurity escalation and fraud-prevention processes appropriate to the prospective issuer.

7. Financial diligence

Management shall reconcile bank balances, taxes, debt, equity, contingencies, vendor contracts and material commitments before any offering disclosures are finalized.

Execution and signature record

The DocuSign tabs are anchored only to the unique execution line in each signer's block. Complete only the fields assigned to your capacity. A completed envelope is not a regulatory approval or a listing approval.
